Do something big, work with small children.

Working in early years and childcare is unique and rewarding. You'll work with young children, providing care and early education that helps give them the best start in life.

Work in a nursery or pre-school

From entry level roles to qualified positions as a nursery assistant, room leader or early years teacher, you'll join a team and make a real difference by providing care and education to children under 5.

Get qualified on the job

Whether you're leaving school or looking to change careers, you can train on the job with an early years apprenticeship. Requiring no previous experience, you'll be employed by a nursery or pre-school and gain valuable skills and a recognised qualification - all while earning a salary!

Become a childminder

As a childminder, you'll provide personalised early education and childcare to small groups of children of different ages. You'll have the freedom to run your own business and work flexibly.

Work in before or after school clubs

From sports to crafts to music, share your passion and provide wraparound care for primary school children. A great role if you're looking for part-time or term-time only work.

IMPROVING LIVES & ECONOMIC SUCCESS THROUGH WORK & SKILLS

Join us today to help us transform lives through education and skills.

LTE Group brings together a family of specialist organisations with one shared purpose: to help people realise their potential, regardless of background or starting point through education, training and skills.

Our work spans further education, higher education, apprenticeships, professional training and prison education. Our colleagues are united by a commitment to improving lives and economic success, using education as a powerful driver for social and economic change.

Together, our organisations deliver learning with purpose, helping people into employment, upskilling existing workforces and supporting individuals to make positive and lasting change.

OUR ORGANISATIONS

The Manchester College

The Manchester College is one of the UK's largest further education providers and the number one college for 16–19 and adult education in Greater Manchester. With modern campuses, strong employer links and a focus on career led learning, the College plays a vital role in shaping industry-ready talent for the region and beyond.

UCEN Manchester

UCEN Manchester provides high quality degree level and professional education, offering university level learning with the personalised support of a college environment. UCEN Manchester delivers specialist degree-level programmes across creative arts, digital, health, construction, business and more.

Novus

Novus is the UK's leading provider of prison education, supporting adults and young people in custody to gain the skills they'll need to secure meaningful employment upon completion of

their sentence. Working in partnership with HMPPS, employers, charities and local authorities, Novus delivers education, training and employability support designed to reduce reoffending and create the foundations for long term change.

Total People

Total People is our apprenticeship and work based learning provider, supporting individuals and employers across key sectors including business, digital, construction, health, engineering and transport. Total People connects learners with real job opportunities while helping employers build skilled, future ready workforces.

MOL

MOL specialises in professional training and accredited qualifications for people looking to progress or change careers.

With strong expertise in HR (CIPD), leadership and management (CMI), property and digital learning, MOL combines flexible delivery with high quality, industry informed content.

Its programmes are designed to help professionals thrive, offering accessible routes to upskilling and further career development.

OUR IMPACT

Whether in classrooms, workplaces, communities or prisons, LTE Group's mission remains the same: transforming lives through education and skills — today, tomorrow and for generations to come.
